

FORECASTING FUN...

Dear Danville,

As I look upon the upcoming season, I cannot help but be The weather outside is frightful or quite delightful, depending on the day or time here in Northern California. But, regardless of the weather outside, we are still forecasting some fun here in Danville.

The fun in the winter typically comes with a transition from outdoor activities to indoor activities. However, in the current health crisis, we continue to provide a balance between indoor and outdoor fun. Our classes, programs, and events will continue to be offered safely while adhering to current health guidelines.

Don't let the winter blues and the comfort of inactivity bring in the clouds. Instead, be active and bring out the sun and the fun through a life filled with visits to our parks, recreating with us, and appreciating the arts.

You are all invited to check out the weather and fun forecast as you flip through the pages of our current activity guide. Another option would be for you to come and join us in person at the 12th Annual Recreation Expo and Open House on Saturday, February 26, 2022. We will be live, bringing the fun at the Danville Community Center, Senior Center, and Village Theatre to showcase our programs and service. Remember that today's forecast is fuuuuuuuuun!

Sincerely,

′ () /

Henry Perezalonso Recreation, Arts & Community Services Director

LITTLE BLUEBIRD PRESCHOOL

Age 3.5-6Y | Mary Mills

Due to the pandemic, children have missed out on many academic and social opportunities. Our group of teachers with more than 50 years of combined experience in the Tri-Valley area will help bring your little one back up to speed. We will focus on the social and emotional well-being of each child and make connections at circle time with music and stories. We will have art and hands-on activities that expose children to math concepts and language skills. All of this will be done in a nurturing environment where each child is seen, heard and valued. This will be accomplished with a small teacher/student ratio of 1:4. Your child is invited to bring lunch from home to share in a mealtime with friends. A \$40 materials fee is due to instructor on first day of class.

HELLO, AND WELCOME TO

AUGGIE'S A-CORNER!

This page is all about Auggie the Acorn, Danville's official mascot. Visit this page every issue to see what Auggie is up to this season.

ACTIVITES & GAMES

Auggie loves to learn new things and play games that really put his mind to the test.

Look for a new activity and game handpicked by Auggie in every issue of the Acitivity Guide.

Test your skills and have fun!

STEM ACTIVITY

All you need to get started with this super simple STEM activity is a few basic supplies you can find around the house.

- Hot glue gun and glue sticks (you can also try duct tape or any other heavy-duty tape)
- Small plastic cup

STEPS

- First, you will want to cut the bottom out of the plastic cup, but leave the rim for strength or else the cup will crumple. This is a good step for the adults to do and can be prepped ahead of time for larger groups! Make sure to trim off any jagged edges.
- Next, you want to tie a knot in the neck of a balloon.
- Then you want to go ahead and cut the end off the balloon. (not the knotted end!)
- Once you have that done, you will want to either tape or glue the balloon to the bottom (where you have cut the hole) of the cup.
- Be safe and have yourself a fun outdoor (or indoor) snow ball party!

Policies & Procedures

GENERAL INFORMATION

Pre-registration with payment is required for program participation. Payment must accompany registration form.

The Waiver of Liability on the registration form must be signed prior to taking a class.

Credit: Kevin Wong

Advise Town staff if participant has a disability or allergy requiring special accommodations.

Class registration form may be sent ahead of registration date. All class registrations submitted prior to the first day of registration will be entered on the appropriate registration date, with no priority given.

AMERICANS WITH DISABILITIES ACT

In compliance with the Americans with Disabilities Act (ADA), the Town of Danville encourages those with disabilities to participate in our programs. If you have any special needs that require specific accommodations so you can fully enjoy our classes and programs, call (925) 314-3400.

COURSE CANCELLATION

When registration falls below the minimum enrollment required, it may be necessary to cancel a class or program. At the time of cancellation, the Town will initiate a full refund. Check refunds may take 4–6 weeks.

PHOTO/VIDEO LIABILITY DISCLOSURE

Photographs and video may be taken of participants during a class or program, and these photographs and video may be used for Town of Danville publicity purposes.

RAINOUTS AND CLASS MAKE-UPS

Whenever possible, make-ups will be given on those occasions when inclement weather or instructor illness requires that a class be cancelled. See instructor at next scheduled meeting for make-up date.

No refunds (whole or partial) can be given for classes missed by the student.

WAITLISTS

Waitlists will be created once a class has reached maximum enrollment. If space becomes available, you will be called.

WITHDRAWALS (CREDITS/REFUNDS)

Requests for withdrawal will be honored if requested no later than seven business days prior to the first day of class. There will be a \$5 withdrawal fee assessed for each activity.

Requests made less than seven business days prior to the first day of class must be submitted in writing and will be considered on an individual basis.

A \$20 processing fee will be charged for processing refunds made by check. We do not provide cash refunds.

Withdrawals for sports leagues may be approved if a team can be replaced before the first game.

RESIDENCY STATUS CLARIFICATION

Those living outside the Danville Town limits include residents of the communities of Alamo and Diablo, and Alamo Creek, Bettencourt Ranch, Blackhawk, Bryan Ranch, Monterosso, Shadow Creek and Whitegate housing developments.

The program and facility fees cover a large portion of the actual costs, though Town of Danville residents also partially support the classes, events and facilities through their property tax assessments. Because of this, those program participants and individuals reserving Town facilities who live outside of Danville pay an additional non-resident charge. If you have any questions about this information, call 314-3400.

Special Notice to Alamo Residents living in the Alamo County Service Area R-7A: all R-7A residents are eligible to register for Town-sponsored programs scheduled at Hap Magee Ranch Park during the resident registration period. Non-resident fees still apply for these classes and activities. Call 314-3400 for more information.
